

Publications to Prepare You, Your Family, Community and Business

Did you know FEMA has FREE preparedness materials you can download instantly from the [Ready.gov](https://www.ready.gov) website or request printed copies using our [online ordering tool](#)?

- ✓ **Family Communication Plan & Fillable Card**
A form intended to help families document information necessary after an emergency.
- ✓ **Emergency Supply List**
A comprehensive list of suggested materials to prepare for emergencies in one's home and for their families.
- ✓ **Preparing Makes Sense & 12 Ways to Prepare**
A comprehensive brochure explaining the key steps to emergency preparedness, including being informed, making a plan, building a kit, and getting involved.
- ✓ **Prepare Your Pets for Disasters**
A unique brochure containing information for pet owners and suggestions for proactive pet emergency preparedness.
- ✓ **Are You Ready? Guide**
This comprehensive guide provides detailed information on how best to prepare for disasters within families and communities. Learn general disaster preparedness tips and best practices to inform your planning.
- ✓ **A Guide for Alerts and Warnings**
Learn what to do when you get a hazard alert at home or in the car! The Guide for Alerts and Warnings has information about 17 hazards, their alerts, and the protective actions you can take to stay safe.
- ✓ **Insurance Discussion Coverage Form**
Inadequate insurance coverage can lead to a major financial loss if your business is damaged, or operations are interrupted for a period of time.
- ✓ **Emergency Financial First Aid Kit (EFFAK)**
Guide includes checklists of important documents and forms to capture information vital for disaster recovery such as household identification, financial and legal documents, medical information, and household contacts.

- ✓ **Program Coordinator Committee Worksheet**
Key employees should be organized as a program committee that will assist in the development, implementation, and maintenance of the preparedness program.
- ✓ **Risk Assessment Table**
Consider the different types of disasters that could impact your company and the likelihood that they might occur.
- ✓ **Family Communication Plan for Kids**
Family communication plan template designed for kids to organize emergency contact phone numbers and identify an emergency meeting place.
- ✓ **Materials for Educators**
Emergency preparedness curriculum for grades 1-12 that teach kids what to do before, during, and after an emergency while fostering critical 21st-century skills such as problem solving, teamwork, creativity, leadership, and communication.
